Explanations	

Our subsidiary, Mcfly Robot Teknolojileri A.Ş., which designs, develops, and manufactures collaborative robots and advanced technology peripheral units, has secured an investment loan of 48 million USD from a bank operating in Turkey. The loan has a 10-year term with the first 2 years being repayment-free. The relevant loan agreement has been signed as of today.

Turkish and English translations of this statement are available, and in case of any conflict between the Turkish and English versions of this statement, the Turkish version will prevail.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
