Explanations	

Our company, Kontrolmatik Teknoloji Enerji ve Mühendislik A.Ş. ("Kontrolmatik"), has established KMT Teknolojik ve Finansal Yatırımlar A.Ş. ("KMT Yatırım") with equal shareholding by Sami Aslanhan, a shareholder and Chairman of the Board, and Ömer Ünsalan, a shareholder and Vice Chairman of the Board. The capital of KMT Yatırım is represented by 50% Sami Aslanhan and 50% Ömer Ünsalan.

As part of our efforts to secure international financing opportunities on more favorable terms in the medium to long term, and to be used as collateral if necessary, KMT Yatırım acquired a total of 39,000,000 Kontrolmatik shares—19,500,000 from Sami Aslanhan and 19,500,000 from Ömer Ünsalan—as of February 21, 2025. These shares are not publicly traded on Borsa Istanbul and represent 6% of Kontrolmatik's total issued capital.

This share transfer is an internal transaction carried out by Sami Aslanhan and Ömer Ünsalan within KMT Yatırım and does not result in any change in our company's indirect shareholding structure. This step has been planned as part of our international financing efforts and aims to strengthen the existing structure.

Turkish and English translations of this statement are available, and in case of any conflict between the Turkish and English versions of this statement, the Turkish version will prevail.

This announcement is presented for the information of the public and our investors.

Respectfully,

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
