Application of inflation accounting and TAS 29 – "Financial Reporting in Hyperinflationary Economies"

The Group applied TAS 29 "Financial reporting in hyperinflationary economies ("TAS 29") in the consolidated financial statements as at and for the year ended 31 December 2025.

TAS 29 requires consolidated financial statements to be restated into the current purchasing power on 31 December 2025 at the end of the reporting period including the restatement of the consolidated financial statements as at and for the year ended 31 December 2024.

Applying TAS 29 results in significant changes to the consolidated financial statement items for the year ended 2025 included in the Group's consolidated financial statements as at and for the year ended 31 December 2024, including consolidated statement of financial position, consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and statement of cash flow. In addition, considering the additional effort required to perform the audit of the application of TAS 29, we identified the application of TAS 29 as a key audit matter.

The explanations regarding the application of TAS 29 are disclosed in Note 2.

We performed the following audit proce

- Understanding and evaluating the pro 29 designed and implemented by the G

- Verifying whether the Group man non-monetary items is in compliance w

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Group management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRS. Management determines what information is necessary to enable the preparation of consolidated financial statements that are free from material misstatements.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern and determining whether the going concern basis of accounting is appropriate. Management also determines whether there is an alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Responsibilities of independent auditors in an independent audit are as follows:

Our aim is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatements, so as to issue an independent auditor's report that includes our opinion. Reasonable assurance expressed as a result of an independent audit is a high level of assurance but does not guarantee that a material misstatement will always be detected. Misstatements can arise from fraud or error, and if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an independent audit conducted in accordance with ISAs, we exercise professional judgment and maintain professional ske

- Identify and assess the risks of material misstatement in the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks in the basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, or the like.
- Assess the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to whether the entity will continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements. These conclusions are based on the audit evidence obtained up to the date of our independent auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent fairly the financial position of the Group.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies in internal control that we identify during our audit.

We provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation requires that we disclose other matters in the auditor's report. We determine that a matter should not be communicated in our report if communication about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report would reasonably be expected to outweigh the public interest benefits of such communication.
